In his new blog entry, script writer Corey May talks about the world, the truth, the database and the variety....

So weâ€™re done. Itâ€™s been two years (actually six if you factor in the first game) since we embarked on this insane adventure. Now the game is out there for you to all experience. And I hope you do. Everyoneâ€™s worked so hard and done so much to ensure AC2 surpasses the first in every possible way. So today Iâ€™m supposed to talk about my favorite things in the game, so here goes:...
